

New England Otolaryngological Society

April 1, 2022

Virtual Program

Spring Time Cross-Pollination: Subspecialties Hybridization

Officers

Rebecca Stone, MD, NEOS President

Michal Platt, MD, Secretary/Treasure

Stacey Tutt Gray, MD, President-Elect

[On-Demand Content: Ready to View on Monday, March 28](#)

Featured Speaker Presentation:

When Should I Get a Cardiology Consult Prior to Surgery

Joseph P Kannam, MD

Chief of Cardiology BID-Needham

Fellowship Director, BIDMC Cardiovascular Fellowship

Assistant Professor of Medicine

Harvard Medical School

Resident Research Grant Winner Presentations:

2021 Grant Winner:

Roy Xiao, MD

Visualizing the Mechanism of End-to-Side Motor Neurotization

2020 Grant Winner:

Adeeb Derakhshan, MD

A Comparison of Axonal Regeneration in Fresh vs Long-Term Denervated Nerve Grafts

Resident Speaker Presentations:

Harvard Medical School/ Beth Israel Deaconess Medical Center- **Brett Campbell, MD**

From Otoscopy to Rhinoscopy to Fundoscopy- Lessons from Neuro-Ophthalmology

University of Vermont – **Quinn Self, MD**

"My PCP is a Naturopath" Collaborative care between otolaryngologists and naturopathic doctors in Vermont

Boston University – **Jacob Bloom, MD**

Not Just Worker Bees: The Role of Otolaryngologists in Vaccination Education

Dartmouth-Hitchcock – **Maggie Mouzourakis, MD**

A Multidisciplinary Approach to a Lymphovascular Malformation in the External Ear Canal

Yale University – **Donovan Lockwood, MD**

A Persistent Problem at the Petrous Apex

Harvard Medical School/Massachusetts Eye and Ear– **Tara Mokhtari, MD**

Beyond the Microscope

Albany Medical College – **Tam Ramsey, MD**

Hygiene Hypothesis and Allergy

Tufts University- **Emily Gall, MD**

An Itch in Your Ear: Understanding the Role of Allergy in Otolaryngology

University of Connecticut- **Davis Aasen, MD**

Stop the Bleed: Examining the Utilization of Tranexamic Acid

Live, Interactive Content: Friday, April 1, 2022: 1:00 pm- 3:50 pm

- 1:00-1:05p.m. ***Welcome & Introduction***
Rebecca Stone, MD
NEOS President
Boston ENT Associates
- 1:05-1:45p.m. ***Common Autoimmune Bullous Diseases Presentation and Management:
A Dermatology Perspective***
Erin Wei, MD
Director, Dermatology at Brigham and Women's Health Care Center at Westwood
Director, Bullous Disease Clinic
Assistant Professor, Harvard Medical School
- 1:45-2:25pm ***Extraesophageal Reflux: A GI Perspective***
Michael Curley, MD, FRCPC
Assistant Professor
Section of Gastroenterology and Hepatology
Dartmouth-Hitchcock Medical Center
Geisel School of Medicine
- 2:25-3:05pm ***Eosinophilic asthma. Is it time for biologic therapy?***
Douglas Beach, MD, MPH
Instructor in Pulmonary Medicine
Beth Israel Deaconess Medical Center
- 3:05-3:45pm ***It's Not a Sinus Headache***
Carolyn Bernstein, MD, FAHS
Neurologist in Headache Medicine
Brigham and Women's Osher Clinical Center for Integrative Medicine
Assistant Professor
Harvard Medical School
- 3:45-3:50pm ***Resident Award Announcement & Adjournment***

Program Objectives

- Learn the approach to allergy/asthma patients from a Pulmonary perspective.
- Learn the approach to reflux patients from a GI perspective.
- Review appropriate cardiac clearance for otolaryngologic surgical candidates/procedures.
- Develop awareness of the otolaryngology manifestations of Dermatologic illness, specifically bullous disease.
- Review Neurologic approach to migraine.

Program Overview

Springtime Hybrid Cross Pollination implies the hope that we can fertilize our otolaryngology brains with seeds of thought from other specialties. We are going to have Cardiology, Pulmonology, Gastroenterology, Dermatology, and Neurology represented to discuss areas of overlap/things those specialists want us to know. Seeing similar problems that present to other specialties and understanding their approach to solving it may help us in our problem solving ability, communication, and ability to integrate our patients into the health care system more effectively.

**** To receive full CME Credits, you must participate in the On-Demand content as well as the Live interactive content**

AMA Credit Designation Statement

The New England Otolaryngological Society designates this live activity for a maximum of 6.0 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Accreditation Statement

The New England Otolaryngological Society is accredited by the Massachusetts Medical Society to provide continuing medical education for physicians.

For questions, please contact Lina Szymkowski

CME Coordinator at 781-434-7313 or Lszymkowski@mms.org
