#### Officers

Wendy Stern, MD NEOS President

[wendy.stern@ne.com](mailto:wendy.stern@ne.com)

Andrew Scott, MD, President-elect

[AScott@tuftsmedicalcenter.org](mailto:AScott@tuftsmedicalcenter.org)

Stacey Tutt Gray, MD, Secretary/Treasurer

[Stacey\\_gray@meei.harvard.edu](mailto:Stacey_gray@meei.harvard.edu)

#### Program Objectives

- Understand the elements of leadership that lead to productive, cooperative organizations with focus on the neurobiology of parenting and its overlap with leadership qualities and the scientific research behind work-life balance
- Understand the strategic and scientific applications of global medical initiatives and humanitarian work with focus on narrowing gaps in surgical capacity and hearing loss and learn how to access opportunities to become involved
- Understand the epidemiology, prevention and treatment of noise induced hearing loss

#### Program Overview

As physicians we understand that our professional and personal lives are deeply intertwined. We are challenged to maintain and improve that balance, while also recognizing the importance of specialty advancement and advocacy and the role we must play in global health care and humanitarian efforts. This program will increase our awareness and understanding of leadership, work life balance, the importance of global medical initiative and humanitarian work and how participation will improve our specialty and our own self satisfaction and success. Lastly, since we cannot talk about Rock and Roll without commenting on hearing loss, we will discuss noise induced hearing loss as well as identify the common etiologies of hearing loss in low resource countries and how these may differ from high resource countries challenging participants to think more globally.

#### AMA Credit Designation Statement

The New England Otolaryngological Society designates this live activity for a maximum of 5.75 *AMA PRA Category 1 Credits*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

#### Accreditation Statement

The New England Otolaryngological Society is accredited by the Massachusetts Medical Society to provide continuing medical education for physicians.
