Our Featured Speakers (on demand content): Ready to View on Monday, October 4, 2021

A Brief History of Laryngeal Surgery

Steven Zeitels, MD, FACS

Eugene B. Casey Professor of Laryngeal Surgery at Harvard

Director of the MGH Center for Laryngeal Surgery and Voice Rehabilitation

Innovations in Laryngeal Surgery

Steven Zeitels, MD, FACS

Eugene B. Casey Professor of Laryngeal Surgery at Harvard

Director of the MGH Center for Laryngeal Surgery and Voice Rehabilitation

Inner Ear Drug Delivery

Michael J. McKenna, MD

Professor of Otolaryngology–Head and Neck Surgery, Harvard Medical School

Chief Medical Officer and Co-Founder of Akouos

Resident Speaker Presentations (on demand content): Ready to View on Monday, October 4

Harvard Medical School/ Beth Israel Deaconess Medical Center- **Victoria Huang, MD**

Historical Insights from Placebo Controlled Surgery of the Endolymphatic Sac:

What Has it Taught Us?

University of Vermont – **Donald Bennett, MD**

Tonsillitis - Historical Management and Controversy

Boston University –**Joseph Sabra, MD**

From Boston City Hospital to Boston Medical Center: Overcoming Disparities in Healthcare

Dartmouth-Hitchcock – **Galit Almosnino, MD**

The Future of Rhinology – Who Nose?

Yale University – **Darpan Kayastha, MD**

Historical Perspectives on Sinus Surgery

Harvard Medical School/Massachusetts Eye and Ear– **Vinay K. Rathi, MD, MBA**

The Reg-ent Clinical Data Registry: Progress and Promise

Albany Medical College – **Ethan Moritz, MD**

Advances in Hearing Technology

Tufts University- **Tania Hassanzadeh, MD**

Honoring the Legacy of Dr. William Harry Barnes: Examining a Conflicted Past and Perspectives on

Racism in Medicine Today

University of Connecticut- **James David Wilson, MD, MSc**

Don't Call it a Comeback - The History and Future of Myringotomy and Tympanostomy

Tube Placement

Live, interactive content Friday, October 8, 2021: 1:00 pm-4:00 pm

1:00-1:10 p.m. Welcome and Introduction

1:10-2:00 p.m. **Featured Speaker: Live Content:**

A History of Racism in Medicine

Sarah Rosenberg-Scott, MD, MPH

Assistant Professor and Faculty Coach

Department of Family Medicine

Tufts University School of Medicine

2:00-2:30 p.m. Q & A Session: Sarah Rosenberg-Scott, MD, MPH, Steven Zeitels, MD, FACS & Michael J. McKenna, MD

2:30-3:30 p.m. **Panel: Emerging innovations in Otolaryngology – Head & Neck Surgery**

Kofi Boahene, MD – Facial Plastic and Reconstructive Surgery, Johns Hopkins, MD

Matthew Carlson, MD – Neurotology, Mayo Clinic, MN

Sharon Cushing, MD, MSc, FRCSC – Associate Professor, University of Toronto, ON

Michael Fritz, MD – Facial Plastic and Reconstructive Surgery, Cleveland Clinic, OH

David Zopf, MD – Pediatric Otolaryngology, University of Michigan, MI

3:30-3:45 p.m. Q & A Session for Innovations Panel

3:45-4:00 p.m. Final Comments and Adjournment

Program Objectives

- To introduce learners to several noteworthy figures within the history of otolaryngology.
- Begin a dialogue related to long standing economic and racial disparities in healthcare that persist today
- Discuss the roles that technology and innovation have played throughout our history and understand how such advances are shaping the future of our field

Program Overview

In order to learn from the lessons of the past, residents and practicing otolaryngologists alike require a working knowledge of the history of our field. We live in extraordinary times, now over a year into an historic pandemic, and our roles as otolaryngologists – head & neck surgeons are constantly evolving. The practice of otolaryngology requires both critical appraisal of new technology and a mindset that remains receptive to new ideas. Examining innovation within the context of our history is vital to understanding our past and plotting the best course forward.

Though a series of lectures and panel presentations, attendees will be introduced to several noteworthy figures within the history of otolaryngology. A discussion of economic and racial disparities in healthcare - then and now - will provide viewers with additional context. The role of technology and innovation in our history and our future will be discussed.

***** To receive full CME Credits, you must participate in the On-Demand content as well as the Live interactive content***

AMA Credit Designation Statement

The New England Otolaryngological Society designates this live activity for a maximum of 7.0 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Accreditation Statement

The New England Otolaryngological Society is accredited by the Massachusetts Medical Society to provide continuing medical education for physicians.

For questions, please contact Lina Syzmkowski

CME Coordinator at 781-434-7313 or lszymkowski@mms.org
